Why brands work *with Amrit*

- 1 Reach beyond her followers**
98.4% of views in the last 30 days came from non-followers. About 99 in 100 views reach people who don't follow her yet.
- 2 Reels-first**
 Reels drove **1.1M** views in the last 30 days, compared with 16K from Stories and 4.5K from Posts.
- 3 Podcast credibility**
 As an anchor and podcast host, she interviews guests on topics like international students and middle-class-to-high-class journeys.
- 4 An audience that responds**
37,124 interactions and **+743** net followers in the last 30 days.
